

If you know of a new neighbor who would like to meet their Cliff Rose neighbors and join in our activities, you might want to take them to a *Cliff Rose* breakfast (see below). The membership of some of the activities listed below may be filled. If so the new neighbor can ask to be put on a waiting list. You are welcome to give Annie Carr's (541-0951) or Marilyn Hurst's (443-1528) phone number to them for further information about Cliff Rose activities.
